

Critical Information Summary

iPrimus Unlimited Bundle (Zone 1)

Information about the service

SERVICE DESCRIPTION

This is an internet service which is delivered using broadband technology over your standard copper telephone line. When the NBN™ network is available in your area, you agree iPrimus will transition your service/s to the NBN™ network as soon as we are reasonably able to do so.

Before we change your access type, we may contact you to let you know and then either confirm any further details we require for the transition or transition you automatically.

You must reasonably cooperate with us to transition your services to the NBN™. If you do not provide information, or reasonable assistance to us, we may not be able to provide you your service. Once upgraded, you will not be able to return to your previous service. Where additional work is required to transition your services (such as non-standard installation) to the NBN™ you may be charged an additional fee, however only where we have agreed this with you beforehand.

MINIMUM CONTRACT TERM 1, 12 and 24 Months

KEY DETAILS

This is a superfast broadband consumer-grade residential internet service. Wherever possible, we will attempt to provision the service on the highest possible speed. Actual speeds vary and may be affected by your location and equipment, the quality of your line, the source of your download and the level of internet traffic. Not available in all areas nor to all customers. Available to new iPrimus customers only.

EQUIPMENT REQUIRED

For your internet service you need a compatible modem and telephone handset. You may buy a modem outright from iPrimus or opt for an iPrimus supplied modem at \$0/month. Supplied modem must be returned if your service is cancelled. A non-return fee (\$129) applies 30 days after cancellation if not returned. See website for current charges. \$14.95 Postage & Handling fees apply

BUNDLING REQUIREMENTS

This is a bundled plan. If you cancel or transfer either service in the bundle, iPrimus may suspend or terminate both services and you may be liable for early termination fees and/or need to re-contract for a standalone service at a higher monthly charge.

PLAN INCLUSIONS

The iPrimus Bundle Special plan includes Unlimited broadband Internet data available anytime and telephone line rental including unlimited Australian standard local and national calls. Data allowance includes uploads and downloads.

Excludes calls to mobiles, international calling destinations, 13/1300 numbers, premium numbers and other special services which are charged at the applicable rates.
