

Financial hardship application

Financial hardship comes in many forms and affects everyone differently. For some, there can be a sudden and unpredicted change in their income or liabilities, and for others, there can be a gradual decline in financial security. This form is an application for financial hardship, to be submitted in the event you are unable to meet your financial commitments to us.

Situations that could affect your financial position include:

- Loss of employment
- Family breakdown
- Death in the family
- Domestic violence or family violence
- Illnesses including physical incapacity and hospitalization
- Mental illness
- Any other reasonable causes that impact your ability to meet your financial obligations

The information you provide us will be used to assess your ability to repay/maintain your agreement with us and where possible, used to formulate a plan/agreement to get you back on track. Please submit your completed form to customerservice@iprimus.com.au
